## PREFACE

---

The late Charles Steigerwalt was for many years a prominent dealer in coins, autographs, paper money, etc., and a large purchaser; consequently, at his sudden death, he left an extensive and valuable stock, which the following pages briefly describe as far as the numismatic and paper money sections are concerned, and which are here offered at public auction absolutely without any reserve. The material is excellent and in very satisfactory condition, which I have endeavored to describe in my careful and conscientious manner, and believe it will meet with the requirements of the purchaser, as well as doing justice to the seller. The object is described as I see it—defects noted—and you may with safety bid all the article is worth to you, relying on its meeting the stated condition.

Every coin or other object is guaranteed genuine, and this holds good indefinitely.

Catalogues marked with price each lot sells for supplied after sale on receipt of \$2.00.

I will execute bids for the regular and usual 10 per cent. of the amount purchased, buying as much below the amount sent in as possible. The auctioneers will execute bids free of commission, but assume no responsibility and require payment before the goods are delivered.

This being an executor's sale, is for cash, the goods to be paid for day following termination of the sale. Lots purchased through me or the other reputable dealers will be forwarded as usual where the bidder is known to be responsible.

The auctioneers and cataloguer reserve the right to reject and not accept the bid of a person who has in the past failed to pay for goods he bought, unless he makes a satisfactory deposit of cash prior to the sale.

Where a dispute arises between two or more bidders the disputant, on the bidding being opened, must advance above figure it was knocked down for.

Bid so much each piece and examine and compare your bids before sending them in, as errors made by the bidder will not be borne by the sellers.

The assortment is so varied in this sale that I trust every one receiving the Catalogue will send in some bids.

Sincerely,

HENRY CHAPMAN,  
Numismatist, No. 1348 Pine Street, Philadelphia.
